Overall impression

Overall, the building is well maintained, and communal spaces are clean and tidy.

Cleaning is carried out by Doves every fortnight and Groundscape carry out grounds maintenance service.

Main action points

Attending the walkabout

We encourage tenants from this scheme to join us on these walkabouts (dates can be found on our website). This is a great opportunity for you to tell us about any issues or improvements we can make to the scheme. Unfortunately, we didn't have any residents joining us. We welcome any feedback from you if you have any other suggestions on how we can improve this process.

Repairs

We noticed some overgrown ivy /vegetation to the front of building. We have approached the resident responsible for this to ensure it is cut back and maintained. We have also raised request for additional gutters to be installed to block 3-5 and 6-9. We

also noticed some of the drains were blocked with leaves. We have raised a request for our drainage company to unblock all drains.

If you notice any communal repair issues, please contact us immediately on 0207 7042324 or email repairs@barnsbury.org
