

New Homes for Morland Mews

We have been asked by Barnsbury Housing Association to look at the possibility of creating additional homes at Morland Mews. As part of an on-going consultation process, we have arranged a couple of events to help us understand your views on the existing estate, what kind of homes you think BHA should be providing in Islington, and how you think these homes would be best incorporated.

We hope that you can join us!

Lyndon Goode Architects

Meet the Architects!

Thursday 29th June

4-7pm

An opportunity to chat to the team from LGA, to share your thoughts on the existing estate, and for us to explain the design process and timeline.

Gazebo on the lawn, tea and cake provided or, in case of rain, venue will be the BHA office in Morland Mews.
