

ESTATE WALKABOUT

BARNSBURY PARK

Visited 17 June 2026

Inspectors: Marius, Ntombi and Asif

Overall impression

Overall, the building is well maintained, and communal spaces are clean and tidy. The block is under a cleaning contract.

Cleaning, gardening and windows in shared areas

Dove cleans all communal areas and windows (including internal) every two weeks. They also clean external windows every other month. Tenants keep these spaces clean and tidy.

Main action points

Attending the walkabout

We encourage tenants from this scheme to join us on these walkabouts (dates can be found on our website). This is a great opportunity for you to tell us about any issues or improvements we can make to the scheme.

Repairs

We noticed crack to the front boundary wall which is being inspected and repaired. We noticed some parts of external paintwork is flaky. This will be looked at as part of decorating programme.

If you notice any communal repair issues, please report them to us immediately.
