Important Notice: Next Phase of Parking Improvements at Morland Mews (Phase 2)

Dear Residents,

We hope this letter finds you well. We're pleased to share news about the upcoming Phase 2 of parking improvements at Morland Mews, which continues to improve the parking experience for residents. Parking enforcement will be managed by Park Direct UK and is set to start from 19th February.

What's Happening next?

Parking Enforcement: Starting from 19th February. Park Direct UK will be overseeing parking enforcement. Please contact us and ensure your car registration details are up to date with BHA to avoid any issues. **Any cars parked without a permit will be fined.**

Mind the Markings: You should see more markings and signs on the estate. Please be aware of designated parking spaces marked clearly. If you have a designated space, make sure you park there to avoid any issues.

Waiting list: We understand there are limited parking spaces in the estate. Your cooperation in using designated spaces will help ensure fair and accessible parking for everyone. If you would like to be added to the waiting list, please contact Asif on 0207 704 2324 or email info@barnsbury.org

Important Reminders

No Designated Space? If you don't have a designated parking space, please contact Islington Council for a parking permit to park on street nearby. Unauthorised parking has the potential to cause access problems, and we've heard from residents who expressed concerns about unauthorised parking in the estate.

The improvements aim to address these issues and create more secure parking for everyone.
